5678 SHOWTIME FEE POLICY STRUCTURE

I hereby agree with the following 5678 Showtime fee policy structure.

Fees are 100% non-refundable for scheduled events or rescheduled events in the same geographic location. If a studio decides not to compete, or cannot compete for personal reasons, the studio will forfeit their fees. At the discretion of 5678 Showtime, if there is a valid reason supported with documentation such as serious illness or injury, 5678 Showtime will offer a credit towards a future event.

If an event is cancelled and not re-scheduled in the same geographic region due to low registration, or other circumstances, studios may transfer their fees to an event in another region. If they cannot attend, their registration fees will be fully refunded.

If a Free Regional is cancelled (applicable to those registered for Nationals who plan to compete at one regional for free), a studio may select another Regional in the same calendar year. There is no credit for a Free Regional in the following calendar year. There is no refund for the National fees paid.

Studios must agree with all policies to participate at 5678 Showtime
